Standardized Testing Information ~ Spring 2024

Dear Parents:

This spring, students in grades 3-9 will participate in the **NJSLA** (New Jersey Student Learning Assessment) assessments in the areas of English Language Arts (ELA), Mathematics and Science. The NJSLA assessments will be administered to students within the testing window that opens on April 29, 2024 and closes on May 24, 2024. For detailed NJSLA information, please visit the district website and click on the assessment link located in the red navigation bar.

Who will participate in NJSLA?

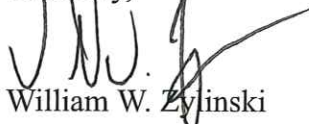

- Students in grades 3 through 9 will take the NJSLA-English Language Arts (ELA) assessment;
- Students in grades 3 through 9 will take the NJSLA-Mathematics assessment;
- Students in grades 5, 8, and 11 will take the NJSLA-Science assessment.

As part of the school community, you play an important role in preparing your child. Please have your child attend school each day of the testing period. Students perform best when they have had a nutritionally balanced breakfast and a restful night's sleep. Your support and encouragement can also go a long way to set a positive tone. Students are expected to participate in state assessment programs as per the provisions under the Every Student Succeeds Act (ESSA) and New Jersey Administrative Code (N.J.A.C.), and as advised by the Executive County Superintendent's Office. If you have any questions or concerns about the NJSLA assessments, please contact the appropriate staff member as outlined below.
