Dear Middle School Parents and Students:

I would like to extend a warm welcome to our new 6th & 7th Grade students and welcome back our returning 8th Graders. I hope this letter finds you enjoying a restful summer vacation. The purpose of this letter is to provide you and your child with important information regarding the first day of school.

The first day of school will be Wednesday, September 6, 2023 with an early dismissal of 11:30AM. On this day, all students should report directly to their first period **promptly at 7:35AM.** Bussing and schedule information can be found in the Parent Portal on or before Friday, September 2nd.

The parent portal allows you an opportunity to access the RealTime Student Information System. All middle school parents have been issued a password providing access to the student's grades, attendance, discipline, etc. The parent portal is also where you will access all back to school documents. No documents will be mailed home, and parents will have to acknowledge that they have read the documents prior to accessing the portal. The parent portal will be opening on or before Friday, September 2nd. If you need your password information, please contact Guidance at (609) 242-2100 ext. 3002.

Information regarding 6th & 7th Grade Orientation is following. Please read it carefully so that you will know what session to attend. As a reminder, all students must be accompanied by a parent or guardian at orientation.

If you have any questions, please call the Main Office at (609) 242-2100. Best wishes for a safe, enjoyable, and productive school year.

With Great Pride and Care,

Gregory Brandis, Principal
