

SCHOOL BASED MENTORING PROGRAM WITH LACEY TOWNSHIP HIGH SCHOOL & MILL POND ELEMENTARY SCHOOL

In this one-to-one mentoring program, your child will be paired with a Lacey Township High School student to build a friendship while engaging in meetings facilitated and supported by a BBBS staff member. Your child will meet with the same high school mentor for the entire school year and will spend time in a group mentoring setting. Sessions occur twice a month for 75 minutes and will entail group activities and spending one-to-one time as their friendship develops along the way.

Lacey Township High School students who volunteer as a Mentor will be enrolled, trained, matched, and monitored to create a healthy and positive mentoring relationship.

Program sessions will take place on Tuesdays from 2:00pm-3:15pm at Mill Pond Elementary School.

Following each program session, Mill Pond students enrolled will need to be picked up at the bus loop at 3:15pm
