2018-2019 Pre-K Program

The Lacey Township School District is excited to announce a new inclusive preschool program at the Mill Pond Elementary School for general education children between the ages of 3 and 5. Our preschool program includes students of varying degrees of developmental readiness and optimizes opportunities for students to grow and learn from one another in a school setting.

The program is based on state guidelines designed to meet the New Jersey Preschool Teaching and Learning Standards. Our curriculum is school-aligned and researched based. The program immerses children in such areas as language arts, mathematics, exploration, art, music, social/emotional, self-help skills and so much more!

Children must be 3-5 years old before the start of the school year.

Disclaimers:

Space is limited. Students are chosen on a first come first serve basis. A lottery may be implemented. Parents are responsible for transportation to and from the program.

Tuition:

About Our Curriculum

The Creative Curriculum® for Preschool is an award-winning, research-based curriculum that features exploration and discovery as a way of learning, enabling children to develop confidence, creativity, and lifelong critical thinking skills.

Our classroom is a wonderful place to be! It's a warm and inviting place for children to develop both socially and academically. The program is taught by certified teachers dedicated to meeting the individual needs of your child. Classroom set-up and activities are carefully designed to incorporate children's differences, maturation levels, interests, and learning styles.
