Dear Parents and Guardians,

As we begin our first full week of school, I would like to once again welcome all of our students and families to another great year of growing and learning at the Forked River School! We pride ourselves on the safety and security of our students and staff, and continue to collaborate with the Lacey Township Police Department, the Ocean County Prosecutor's Office, and the New Jersey Department of Education in addition to other agencies with regards to safety and security. I ask that you please review our visitation procedures below.

- When visiting the school building during the school day, please use the intercom at the Main Entrance. You will be asked your name and to state the purpose of your visit. (Dismissal time is the exception.)
- You may also be asked to provide a valid photo identification such as your driver's license if you are unfamiliar to our "greeter" or secretary. You will also be asked to sign-in our visitors' log.
- Our guests will be required to wear a visitor badge or sticker depending on the size of the event we are hosting.
- Signing out students early, prior to our 3:35 PM dismissal, is discouraged. Our students are engaged in educational activities to the end of the school day.
- **We will no longer be hosting parent lunchtime visits as we did in previous years.** If you would like to have lunch with your child, you are welcome to sign them out during their lunch and recess time to have lunch with you and then sign them back in for their afternoon studies.

Thank you in advance for your cooperation as we continue to work to improve our safety and security policies and procedures. Should you have any questions, please contact the main office for clarification.

Sincerely,

Mr. Eric Fiedler
Principal
