## Coaching/Managing/Volunteering

## IMPORTANT NOTES ON PLAYER REGISTRATION

1. Little League Baseball® adjusted the League Age Determination Date helped to achieve the goal of making Little League younger. Beginning with the 2018 season, the **league age of a Little Leaguer® is based on the player's age as of August 31 of the current year, with players born between May 1 and August 31, 2005 grandfathered as 12-year-olds for the 2018 season.**
2. Division structures, ages, playing rules and eligibility are determined prior to the season by Little League Baseball, INC and the Lacey Little League Executive Board. Players may sign up for any division their age is permitted to do so, however we **DO NOT** guarantee final placement.
3. Players signed up for Intermediate, Majors and Senior Minors will take part in player evaluations (tryouts) and be subject to a division draft for team placement. Player selections for these divisions are made by the team managers and can be based on many criteria, not only what is done at tryouts. We do not accept team requests for these age groups while all other age groups (T-Ball and Junior Minors) are randomly assigned.
