

LACEY TOWNSHIP HIGH SCHOOL

GIRLS LACROSSE

2023 Varsity Letter Requirements

The following criteria will be used in determining the eligibility of a player for a varsity letter in girl's lacrosse.

1. Players must participate in 70% of all regular and postseason games. Preseason scrimmages are excluded.
2. Players called up to the varsity later in the season who fail to meet the 70% requirement, may receive a letter, if in the opinion of the head coach, they have made a substantial contribution to the overall success of the varsity program.
3. Players who earn varsity status and are subsequently injured during a varsity practice or game, if they remain active, cooperative, and supportive members throughout the season, may receive a letter.
4. A letter or award may be withheld, when in the opinion of the head coach, a player who has willfully brought dishonor upon themselves and/or the team or school. This includes but is not limited to poor sportsmanship, violations of school rules, social media, the use of tobacco, alcohol, or drugs.
5. Finally, no set of eligibility requirements is all-inclusive. When a situation arises that is not covered under the above requirements, the head coach reserves the right to award or withhold a letter or award based on the overall impact upon the integrity of the letter, award or program.
