BOARD COMMITTEES

0155 BOARD COMMITTEES

The Board of Education authorizes the creation of committees of Board members charged to conduct studies, make recommendations to the Board, and act in an advisory capacity. Committees are not authorized to take action on behalf of the Board.

The President shall appoint Board members to serve a one-year term on Board standing committees. The four standing committees shall be known as Finance & Operations Committee, Curriculum Committee, Policy Committee, and Facilities.

These committees shall meet monthly prior to the monthly full Board Business meetings. Minutes of all committee meetings shall be distributed to all Board Members in time for the next business meeting following the Committee meetings.

The Finance & Operations Committee responsibilities/topics include:

- Finance
- Transportation
- Township Liaison

Curriculum Committee responsibilities/topics include:

- Curriculum, Programs, and Field Trips
- Special Education
- Health and Wellness
- LTEA Liaison
- Community Relations
- Technology

Policy Committee responsibilities/topics include:

- Policy
- Co-curricular
- Safety and Security
- LTASA Liaison

The Facilities Committee responsibilities/topics include:

- Facilities
- Grounds & Maintenance
- Food Services

Membership

Committee members shall be appointed by the President of the Board at the annual Reorganization Meeting.

The President may appoint himself/herself to be a member of any committee but shall have the right to attend any meeting of any committee as a non-voting participant.

At the discretion of the Superintendent or designee, the Superintendent may be appointed as a non-voting member of any committee and shall be appointed as a non-voting member when he/she requests such membership. The same provision shall be made for the Board Secretary.

Community advisors to any Board committee may be appointed by the President at the request of the chairman of the committee, but the committee may consult with district employees in reference to any matter within the general charge to the committee.

An ad hoc committee may be created and charged at any time by the President or a majority of the Board members present and voting. The President shall appoint members to any committee so created and charged; members shall serve until the committee is discharged.

Committees shall consist of no more than three Board members. A member may request or refuse appointment to a committee; a member's refusal to serve on any one committee shall not prejudice his/her appointment to another committee.

The Board reserves the right to meet and work as a Committee of the Whole in informational, discussion, and exploratory sessions. No official action shall be taken at these meetings unless so advertised.

Committee meetings may be called at any time by the committee chairperson or when a meeting is requested by a majority of the members of the committee.

Committee meetings shall not be open to the public, except that a majority of the committee or the chairperson may open the meeting to the public or invite persons whose knowledge or expertise may be useful to the committee.

IMMUNIZATION

5320 IMMUNIZATION

In order to safeguard the school community from the spread of certain communicable diseases and in recognition that prevention is a means of combating the spread of disease, the Board of Education requires the immunization of students against certain diseases in accordance with State statute and rules of the New Jersey State Department of Health and Senior Services.

A student shall not knowingly be admitted or retained in school if the parent has not submitted acceptable evidence of the child's immunization, according to schedules specified in N.J.A.C. 8:57-4 – Immunization of Pupils in School. However, a child may be admitted to school on a provisional basis in accordance with the requirements as outlined in N.J.A.C. 8:57-4.5 and Regulation 5320.

Medical or religious exemptions to immunizations shall be in accordance with the requirements as outlined in N.J.A.C. 8:57-4.3 and 4.4. For students with a medical exemption pursuant to N.J.A.C. 8:57-4.3, the school nurse shall annually review student immunization records to confirm the medical condition for the exemption from immunization continues to be applicable in accordance with N.J.A.C. 6A:16-2.3(b)3.v.

No immunization program, other than that expressly required by the rules of the New Jersey State Department of Health and Senior Services or by order of the New Jersey State Commissioner of Health and Senior Services, may be conducted in district schools without the express approval of the Board.

IMMUNIZATION

R 5320 IMMUNIZATION

A. Proof of Immunization (N.J.A.C. 8:57-4.2)

1. The Principal or designee shall not knowingly admit or retain any child whose parent has not submitted acceptable evidence of the child's immunization according to the schedule(s) set forth in N.J.A.C. 8:57 et seq. and section I. of this Regulation, unless the student is provisionally admitted as provided in paragraph B.1. below or exempted as provided in section C. and D. of this Regulation and N.J.A.C. 8:57-4.3 and 8:57-4.4.

B. Provisional Admission (N.J.A.C. 8:57-4.5)

1. A student shall be admitted to school on a provisional basis if a physician, an advanced practice nurse, (a certified registered nurse practitioner or clinical nurse specialist) or health department can document that at least one dose of each required age-appropriate vaccine(s) or antigen(s) has been administered and that the student is in the process of receiving the remaining immunizations.
2. Provisional admission for children under age five shall be granted in compliance with the specific requirements set forth in N.J.A.C. 8:57-4.10 through 4.15 and 4.18 for a period of time consistent with the current Advisory Committee on Immunization Practices (ACIP) of the United States Public Health Service or the American Academy of Pediatrics (AAP) immunization schedule, but shall not exceed seventeen months for completion of all immunization requirements.
3. Provisional admission for children five years of age or older shall be granted in compliance with the specific requirements set forth in N.J.A.C. 8:57-4.10 through 4.14 and 4.16 for a period of time consistent with the current Advisory Committee on Immunization Practices (ACIP) of the United States Public Health Service or the American Academy of Pediatrics (AAP) immunization schedule, but shall not exceed one year for completion of all immunization requirements.

4. Provisional status shall only be granted one time to children entering or transferring into schools in New Jersey. If a student on provisional status transfers, information on their status will be sent by the original school to the new school pursuant to N.J.A.C. 8:57-4.7(b).
5. Children transferring into this district from out-of-State or out-of-country shall be allowed a thirty day grace period in order to obtain past immunization documentation before provisional status shall begin. The thirty day grace period does not apply to students transferring into this school district from within the State of New Jersey.
6. The school district shall ensure that the required vaccine/antigens are being received on schedule. If at the end of the provisional admission period the child has not completed the required immunizations, the administrative head of the school, preschool, or child care center shall exclude the child from continued school attendance until appropriate documentation has been presented.
7. Students on provisional status may be temporarily excluded from school during a vaccine-preventable disease outbreak or threatened outbreak, as determined by the State Commissioner of Health and Senior Services or designee in accordance with the provisions of N.J.A.C. 8:57-4.5.

C. Medical Exemptions (N.J.A.C. 8:57-4.3)

1. A child shall not be required to have any specific immunization(s) which are medically contraindicated.
2. A written statement submitted to the school from a physician licensed to practice medicine or osteopathy or an advanced practice nurse (certified registered nurse practitioner or clinical nurse specialist) in any jurisdiction in the United States indicating that an immunization is medically contraindicated for a specific period of time, and the reasons for the medical contraindication, based on valid medical reasons as enumerated by the ACIP standards or the AAP guidelines, will exempt a student from the specific immunization requirements by law for the stated period of time.
3. The physician's or an advanced practice nurse's (certified registered nurse practitioner or clinical nurse specialist) statement shall be retained

by the school as part of the child's immunization record and shall be reviewed annually. When the child's medical condition permits immunization, this exemption shall thereupon terminate, and the child shall be required to obtain the immunization(s) from which he/she has been exempted.

4. Those children with medical exemptions to receiving specific immunizations may be excluded from school during a vaccine-preventable disease outbreak or threatened outbreak, as determined by the New Jersey Commissioner, Department of Health and Senior Services or designee.
5. As provided by N.J.S.A. 26:4-6, the school district may, on account of the prevalence of any communicable disease, or to prevent the spread of communicable diseases, prohibit the attendance of any school district teacher or student and specify the time during which the teacher or student shall remain away from school.
 - a. The Department of Health and Senior Services shall provide guidance to the school district on the appropriateness of any such prohibition.
 - b. The school district shall comply with the provisions of N.J.A.C. 8:61-2.1 regarding attendance at school by students or adults infected by Human Immunodeficiency Virus (HIV).

D. Religious Exemptions (N.J.A.C. 8:57-4.4)

1. A child shall be exempted from mandatory immunization if the child's parent submits to the school a written, signed statement requesting an exemption pursuant to the requirements of religious exemptions established at N.J.S.A. 26:1A-9.1, on "the ground that the immunization interferes with the free exercise of the pupil's religious rights."
 - a. The school district is prohibited from exempting a child from mandatory immunization on the sole basis of a moral or philosophical objection to immunization.
2. The written statement signed by the parent(s) will be kept by the school as part of the student's immunization record.

3. The school district may exclude children with religious exemptions from receiving immunization agents from school during a vaccine-preventable disease outbreak or threatened outbreak, as determined by the State Commissioner of Health and Senior Services or designee.
 4. As provided by N.J.S.A. 26:4-6, the school district may, on account of the prevalence of any communicable disease, or to prevent the spread of communicable diseases, prohibit the attendance of any school district teacher or student and specify the time during which the teacher or student shall remain away from school.
 - a. The Department of Health and Senior Services shall provide guidance to the school district on the appropriateness of any such prohibition.
 - b. The school district shall comply with the provisions of N.J.A.C. 8:61-2.1 regarding attendance at school by students or adults infected by Human Immunodeficiency Virus (HIV).
- E. Accepted as Evidence of Immunization (N.J.A.C. 8:57-4.6)
1. The following documents shall be accepted as evidence of a child's immunization history provided that the type of immunization and the date when each immunization was administered is listed.
 - a. An official school record from any school or preschool indicating compliance with immunization requirements of N.J.A.C. 8:57-4.1 et seq.;
 - b. A record from any public health department indicating compliance with immunization requirements of N.J.A.C. 8:57-4.1 et seq.;
 - c. A certificate signed by a physician licensed to practice medicine or osteopathy or an advanced practice nurse (certified registered nurse practitioner, or clinical nurse specialist) in any jurisdiction in the United States indicating compliance with immunization requirements of N.J.A.C. 8:57-4.1 et seq.; or

- d. The official record of immunization from the New Jersey Immunization Information System indicating compliance with immunization requirements of N.J.A.C. 8:57-4.1 et seq.
 2. All immunization records submitted by a parent in a language other than English shall be accompanied by a translation sufficient to determine compliance with the immunization requirements of N.J.A.C. 8:57-4.1 et seq. and this Regulation.
 3. Laboratory evidence of protective immunity, as enumerated by the Advisory Committee on Immunization Practices (ACIP) of the United States Public Health Service, shall be accepted as evidence of immunization if a parent cannot produce a documented history of immunization.
 4. Parental verbal history or recollection of previous immunization is unacceptable documentation or evidence of immunization.
- F. Records Required (N.J.A.C. 8:57-4.7)
1. The school district shall maintain an official State of New Jersey School Immunization Record for every student. This record shall include the date of each individual immunization and shall be separated from the child's educational record and other medical records for the purpose of immunization record audit.
 2. If a child withdraws, is promoted, or transfers to another school district, the immunization record, or a certified copy thereof, along with statements pertaining to religious or medical exemptions and laboratory evidence of immunity, shall be sent to the new school district by the original school district or shall be given to the parent upon request, within twenty-four hours of such a request.
 3. Parental verbal history or recollection of previous immunization is unacceptable documentation or evidence of immunization.
 4. When a child graduates from secondary school, the record, or a certified copy thereof, shall be sent to an institution of higher education or may be given to the parent(s) upon request.

5. Each child's official New Jersey Immunization Record, or a certified copy thereof, shall be retained by a secondary school for a minimum of four years after the student has left the school. Each child's official New Jersey Immunization Record, or a copy thereof, shall be retained by an elementary school for a minimum of one year after the child has left the school.
 6. Any computer-generated document or list developed by the school district to record immunization information shall be considered a supplement to, not a replacement of, the official New Jersey School Immunization Record.
- G. Reports to be Sent to the Department of Health and Senior Services (N.J.A.C. 8:57-4.8)
1. A report of the immunization status of the students in each school shall be sent each year to the State Department of Health and Senior Services by the Principal or designee through mail or submitted electronically in accordance with N.J.A.C. 8:57-4.8(a).
 2. The form for the report will be provided by the New Jersey Department of Health and Senior Services.
 3. The report shall be submitted by January 1 of the respective academic year after a review of all appropriate immunization records.
 4. A copy of this report shall be sent to the local Board of Health in whose jurisdiction the school is located.
 5. If the school does not submit the annual report by January 1 it shall be considered delinquent. A delinquency may be referred to the New Jersey Department of Education or the New Jersey Department of Children and Families, as appropriate based on the length of time delinquent, number of times delinquent, and efforts made toward compliance. The local health department will also be notified of the delinquency.
- H. Records Available for Inspection (N.J.A.C. 8:57-4.9)
1. The Principal or designee of each school shall maintain records of their children's immunization status. Upon twenty-four hour notice, these

PROVISIONAL ADMISSION:

Provisional admission allows a child to enter/attend school but must have a minimum of one dose of each of the required vaccines. Students must be actively in the process of completing the series. If a student is less than 5 years of age, they have 17 months to complete the immunization requirements.
If a student is 5 years of age and older, they have 12 months to complete the immunization requirements.

GRACE PERIODS:

- 4-day grace period: All vaccine doses administered less than or equal to four days before either the specified minimum age or dose spacing interval shall be counted as valid and shall not require revaccination in order to enter or remain in a school, pre-school or child care facility.
- 30-day grace period: Those children transferring into a New Jersey school, pre-school, or child care center from out of State/out of country may be allowed a 30-day grace period in order to obtain past immunization documentation before provisional status shall begin.

2. The immunization requirements outlined in I.1. above may be revised by Statute, administrative code, and/or the Commission of Health and Senior Services.
- J. Emergency Powers of the Commissioner of Health and Senior Services
1. If an outbreak or threatened outbreak of disease or other public health immunization emergency exists, as determined by the State Commissioner of Health and Senior Services or designee, the State Commissioner or designee may issue either additional immunization requirements to control the outbreak or threat of an outbreak or modify immunization requirements to meet the emergency.
