Bridge Year Pilot Program

The New Jersey Commissioner of Education has established a three-year "Bridge Year Pilot Program," under which each school district with a high school shall offer students in the graduating classes of 2021 and 2022 the opportunity to pursue a Bridge Year during the year immediately following their senior year of high school, in accordance with the provisions of P.L. 2020 c.41. The purpose of the Bridge Year Pilot Program shall be to provide participating students an additional year to address learning loss and missed opportunities in extracurricular activities, including spring sports programs, as a result of the public health state of emergency caused by the COVID-19 pandemic.

For the purpose of this Policy, "host high school" means the high school that a student, who pursues a Bridge Year pursuant to the provisions of P.L. 2020 c.41, attended as a junior in high school.

Under the Bridge Year Pilot Program, each high school in a school district shall designate a school staff member as a Bridge Year Liaison to serve as the school's central point of contact for students interested in pursuing a Bridge Year and for students participating in a Bridge Year. Nothing in P.L. 2020 c.41 shall be construed to require a school district to hire an individual to serve as a Bridge Year Liaison.

To be eligible to participate in the Bridge Year Pilot Program, a student shall be nineteen years of age or younger and shall not turn twenty years of age at any time during the Bridge Year, except that a classified student shall be eligible to participate if the student will turn twenty years of age during the Bridge Year due to services provided pursuant to the student's individualized education program. To participate in the Bridge Year Pilot Program, eligible students must notify their host high school's Bridge Year Liaison by February 15 of their senior year.

The Bridge Year Liaison shall develop, in consultation with Bridge Year students, an Individual Learning Plan (ILP) for each student. To ensure ample time to plan for the implementation of services outlined in the ILP, each Bridge Year student's ILP shall be completed by May 15, but no later than June 1 of the student's senior year.

During the fall semester of the student's Bridge Year, the student shall take between nine and twelve credits at the host high school, the county college that serves the county of the host high school, or a combination thereof. During the spring semester of the student's Bridge Year, the student shall take between nine and twelve credits at the county college that serves the county of the host high school. During either semester of the Bridge Year, a student may also take up to three credits offered by a four-year institution of higher education at any high school in the State or at any other location to

Such efforts shall include, but need not be limited to, the establishment of a neutral meal plan or voucher system that does not make a distinction between subsidized and unsubsidized students; and
3. Make every effort to:
 - a. Facilitate the prompt and accurate identification of categorically eligible students who may be certified to participate in the program, on a subsidized basis, without first submitting an application therefore, and, whenever an application is required to establish eligibility for subsidized meals, encourage students and their families to submit a subsidized school meals application for that purpose;

- b. Facilitate and expedite, to the greatest extent practicable, the subsidized school meals application and income-eligibility determination processes that are used, by the district, to certify a student for free or reduced price school meals on the basis of income, and assist parents in completing the school meals application; and
- c. Encourage students who are neither categorically eligible nor income-eligible for free or reduced price school meals to nonetheless participate, on a paid and unsubsidized basis, in the program.

If the district participates in the Federal School Breakfast Program, the district is encouraged to increase the number of students participating in the program by establishing a breakfast after the bell program that incorporates school breakfast into the first-period classroom or the first few minutes of the school day pursuant to N.J.S.A. 18A:33-11.1.

In accordance with N.J.S.A. 18A:33-23, the district shall notify each student enrolled and the student's parent of the availability of, and criteria of eligibility for, the summer meals program and the locations in the district where the summer meals are available. The district shall provide this notification by distributing flyers provided by the New Jersey Department of Agriculture pursuant to subsection N.J.S.A. 18A:33-23.c. The district may also provide electronic notice of the information through the usual means by which the district communicates with parents and students electronically.

Pursuant to N.J.S.A. 18A:33-26.a., the New Jersey Department of Agriculture may grant a waiver of the requirements of N.J.S.A. 18A:33-24 et seq. To be granted a waiver, the district must show that it lacks the staff, facilities, or equipment to sponsor the Federal Summer Food Service Program, or the means to finance the hiring or acquisition of such staff, facilities, or equipment. The New Jersey Department of Agriculture also may grant a waiver for one year to the district if a different sponsor currently runs the Federal Summer Food Service Program within the district's community.

Pursuant to N.J.S.A. 18A:33-26.b., the district shall report to the New Jersey Department of Agriculture, in the manner prescribed by the New Jersey Department of Agriculture, its reasons for requesting a waiver of the requirements of N.J.S.A. 18A:33-24 et seq. The report shall include, but need not be limited to, a description of the specific impediments to implementing the program and actions that could be taken to remove those impediments or, where applicable, the identification of the sponsor that currently runs the program within the same community.

D. Free or Reduced Price Meals’ Application Process – 7 CFR 245

School meals applications shall be reviewed in a timely manner. An eligibility determination will be made, the family will be notified of its status, and the status will be implemented as soon as possible within ten operating days of receipt of the completed application pursuant to 7 CFR 245.6(c)(6). Any student found eligible shall be offered free or reduced price meals or free milk immediately upon the establishment of their eligibility and shall continue to receive such meals during the pendency of any inquiry regarding their eligibility in accordance with the requirements of the Division of Food and Nutrition, School Nutrition Programs, New Jersey Department of Agriculture. Carry-over of previous year’s eligibility for students shall be in accordance with the requirements of the Division of Food and Nutrition, School Nutrition Programs, New Jersey Department of Agriculture.

In accordance with 7 CFR 245.6(c)(1) and (2), eligibility for free or reduced price meals, as determined through an approved application or by direct certification, must remain in effect for the entire school year and for up to thirty operating days in the subsequent school year. Prior to the processing of an application or the completion of direct certification procedures for the current school year, children from households with approved applications or documentation of direct certification on file from the preceding year, shall be offered reimbursable free and reduced price meals, as appropriate.

In accordance with 7 CFR 245.6(c)(6)(iii), children from households that notify the local educational agency that they do not want free or reduced price benefits must have their benefits discontinued as soon as possible.

Pursuant to 7 CFR 245.6(c)(7), if the district receives an incomplete school meals application or a school meals application that does not meet the eligibility criteria for free or reduced priced benefits, the school meals application must be denied. The district shall document and retain the denied school meals application and reasons for ineligibility for three years in accordance with 7 CFR 245.6(e).

In accordance with 7 CFR 245.6(c)(7), parents of students who are denied benefits must receive prompt, written notification of their denial. The notification may be provided by mail or e-mail to the individual who signed the school meals application. Posting the denial on the “notification” page of an online system does not meet this requirement. Likewise, informing the parent of denial via telephone does not meet this requirement. If the district uses an automated telephone information system to notify parents of denied benefits, the district must also provide the parents with written notification of the denial. The notification must provide the: reason for denial of benefits; right to appeal; instructions on how to appeal; and ability to reapply for free and reduced price benefits at any time during the school year.

In accordance with 7 CFR 245.6(e), the district shall record the eligibility determination and notification in an easily referenced format. The record shall include the: denial date; reason for denial; date the denial notice was sent; and signature or initials of the determining official (may be electronic, where applicable).

Any parents of students who have benefits that are to be reduced or terminated must be given ten calendar days’ written notice of the change prior to the date the change will go into effect pursuant to 7 CFR 245.6a(j). The first day of the advance notice period shall be the day the notice is sent. The notice of adverse action may be sent via mail or to the e-mail address of the parent. The district shall notify the household of adverse action by phone only.

Pursuant to 7 CFR 245.6a(j), the notice of adverse action must advise the parents of: change in benefits; reasons for the change; an appeal must be filed within the ten calendar days advance notice period to ensure continued benefits while awaiting a hearing and decision; instructions on how to appeal; and the parents may reapply for benefits at any time during the school year.

If the district participates in any National School Lunch Program, School Breakfast Program, or provides free milk under the Special Milk Program, the district shall submit to the New Jersey Department of Agriculture a free and reduced price policy statement pursuant to 7 CFR 245.10.

In accordance with 7 CFR 245.1(b), the district shall avoid any policy or practice leading to the overt identification of students receiving free or reduced price meal benefits. Overt identification is any action that may result in a child being recognized as potentially eligible for or certified for free or reduced price school meals. Unauthorized disclosure or overt identification of students receiving free and reduced price meal benefits is prohibited. The district shall ensure that a child's eligibility status is not disclosed at any point in the process of providing free and reduced price meals, including: notification of the availability of free and reduced price benefits; certification and notification of eligibility; provision of meals in the cafeteria; and the point of service. In addition, the district shall ensure students who receive free and reduced price benefits are not overtly identified when they are provided additional services under programs or activities available to low-income students based on their eligibility for free and reduced price meals.

Pursuant to 7 CFR 245.2, disclosure means revealing or using individual student's program eligibility information obtained through the free and reduced price meal or free milk eligibility process for a purpose other than the purpose for which the information was obtained. Disclosure includes, but is not limited to, access, release, or transfer of personal data about students by means of print, tape, microfilm, microfiche, electronic communication, or any other means. It includes eligibility information obtained through the school meals application or through direct certification.

If the district accepts both cash and electronic payments, the district shall ensure students are not overtly identified through the method of payment pursuant to 7 CFR 245.8(b). To the maximum extent practicable, the district must ensure the sale of non-program foods and the method of payment for non-program foods do not inadvertently result in students being identified by their peers as receiving free and reduced price benefits.

The School Business Administrator/Board Secretary or designee will verify applications of those eligible for free or reduced price meals in accordance with the requirements of the Division of Food and Nutrition, School Nutrition Programs, New Jersey Department of Agriculture.

E. Meal Charge Program – N.J.S.A. 18A:33-21

The Board of Education provides a meal charge program to permit unsubsidized students in the district to charge for breakfast or lunch. Collection of any payment for a meal charge program account that is in arrears shall be addressed in accordance with provisions of this Policy.

“Unsubsidized student” means a student who is neither categorically eligible nor income-eligible for free or reduced price school meals, and who is, consequently, required to pay for any such meals that are served to the student under the National School Lunch Program or the Federal School Breakfast Program.

The Board of Education recognizes a student may not have breakfast or lunch (meal), as applicable, or money to purchase a meal at school on a school day causing the student’s meal charge account to fall into arrears. The district shall contact the student’s parent to provide notice of the arrearage and shall provide the parent with a period of ten school days to pay the amount due. If the student’s parent has not made full payment by the end of the designated ten school day period, then the district shall again contact the student’s parent to provide notice of any action to be taken by the school district in response to the arrearage.

A parent who has received a second notice their child’s meal bill is in arrears and who has not made payment in full within one week from the date of the second notice may be requested to meet with the Principal or designee to discuss and resolve the matter.

A parent’s refusal to meet with the Principal or designee or take other steps to resolve the matter may be indicative of more serious issues in the family or household. However, when a parent’s routine failure to provide breakfast or lunch is reasonably suspected to be indicative of child neglect, the Principal or designee shall immediately report such suspicion to the Department of Children and Families, Division of Child Protection and Permanency as required in N.J.S.A. 9:6-8.10. Such reporting shall not be delayed to accommodate a parent’s meeting with the Principal or designee.

A school district shall report at least biannually to the New Jersey Department of Agriculture the number of students who are denied school breakfast or school lunch in accordance with N.J.S.A. 18A:33-21.a.(2) and this Policy.

Nothing in N.J.S.A. 18A:33-21 or this Policy shall be construed to require the district to deny or restrict the ability of an unsubsidized student to access school breakfast or school lunch when the student's school breakfast or school lunch bill is in arrears.

The school or school district shall not:

1. Publicly identify or stigmatize an unsubsidized student who cannot pay for a school breakfast or a school lunch or whose school breakfast or school lunch bill is in arrears. (For example, by requiring the student to sit at a separate table or by requiring that the student wear a wristband, hand stamp, or identifying mark, or by serving the student an alternative meal);
2. Require an unsubsidized student, who cannot pay for a school breakfast or a school lunch or whose school breakfast or school lunch bill is in arrears to do chores or other work to pay for the school breakfast or school lunch;
3. Require an unsubsidized student to discard a school breakfast or school lunch after it has been served because of the student's inability to pay for a school breakfast or school lunch or because money is owed for previously provided meals;
4. Prohibit an unsubsidized student, or sibling of such a student, from attending or participating in non-fee-based extracurricular activities, field trips, or school events, from receiving grades, official transcripts, or report cards, or from graduating or attending graduation events, solely because of the student's unresolved meal debt; or
5. Require the parent of an unsubsidized student to pay fees or costs in excess of the actual amounts owed for meals previously served to the student.

If an unsubsidized student owes money for the equivalent of five or more school meals, the Principal or designee shall:

1. Determine whether the student is categorically eligible or income-eligible for free or reduced price meals, by conducting a review of all available records related to the student, and by making at least two attempts, not including the initial attempt made pursuant to N.J.S.A. 18A:33-21.c.(2), to contact the student's parent and have the parent fill out a school meals application; and
2. Contact the parent of the unsubsidized student to offer assistance with respect to the completion of the school meals application; and to determine if there are other issues in the household that have caused the student to have insufficient funds to purchase a school breakfast or school lunch; and to offer any other appropriate assistance.

The school district shall direct communications about a student's school breakfast or school lunch bill being in arrears to the parent and not to the student. Nothing in N.J.S.A. 18A:33-21 shall prohibit the school district from sending a student home with a letter addressed to a parent.

Notwithstanding the provisions of N.J.S.A. 18A:33-21 and the provisions of any other law, rule, or regulation to the contrary, an unsubsidized student shall not be denied access to a school meal, regardless of the student's ability to pay or the status of the student's meal arrearages, during any period of time in which the school is making a determination, pursuant to N.J.S.A. 18A:33-21.c., as to whether the student is eligible for, and can be certified to receive, free or reduced price meals.

If the student's meal bill is in arrears, but the student has the money to purchase a meal on a subsequent school day, the student will be provided a meal with payment and the food service program will not use the student's payment to repay previously unpaid charges if the student intended to use the money to purchase that school day's meal.

Students receiving free meals will not be denied a meal even if they accrued a negative balance from other purchases in the cafeteria.

G. Provision of School Meals During Period of School Closure – N.J.S.A. 18A:33-27.2

In the event the Board is provided a written directive, by either the New Jersey Department of Health or the health officer of the jurisdiction, to institute a public health-related closure due to the COVID-19 epidemic, the district shall implement a program, during the period of the school closure, to provide school meals, at meal distribution sites designated pursuant to N.J.S.A. 18A:33-27.2.b., to all students enrolled in the district who are either categorically eligible or income-eligible for free or reduced price school meals.

In the event of an emergency closure, as described in N.J.S.A. 18A:33-27.2.a., the district shall identify one or more school meal distribution sites that are walkable and easily accessible to students in the district. The district shall collaborate with county and municipal government officials in identifying appropriate sites. A school meals distribution site may include, but need not be limited to: faith-based locations; community centers, such as YMCAs; and locations in the district where meals are made available through a summer meals program. In a district that includes high density housing, the district shall make every effort to identify a school meal distribution site in that housing area.

The district shall identify students enrolled in the district who are categorically eligible or income-eligible for free or reduced price meals, and for whom a school meal distribution site, identified pursuant to N.J.S.A. 18A:33-27.2.b., is not within walking distance. In the case of these students, the district shall distribute the school meals to the student's residence or to the student's bus stop along an established bus route, provided that the student or the student's parent is present at the bus stop for the distribution. Food distributed pursuant to N.J.S.A. 18A:33-27.2.c. may include up to a total of three school days' worth of food per delivery.

The district may use school buses owned and operated by the district to distribute school meals pursuant to N.J.S.A. 18A:33-27.2. If the district does not own and operate its own buses, the district may contract for the distribution of school meals, and these contracts shall not be subject to the public bidding requirements established pursuant to the "Public School Contracts Law," N.J.S.A. 18A:18A-1 et seq.

The district shall collaborate, as feasible, with other districts and with local government units to implement the emergency meals distribution program, as required by N.J.S.A. 18A:33-27.2, in order to promote administrative and operational efficiencies and cost savings.

School lunches and breakfasts that are made available, through an emergency meals distribution program operating pursuant to N.J.S.A. 18A:33-27.2, shall be provided to eligible students, free of charge, in accordance with the provisions of N.J.S.A. 18A:33-4.a. and N.J.S.A. 18A:33-14a.

8540 SCHOOL NUTRITION PROGRAMS (M)

The Board of Education recognizes the importance of a child receiving a nutritious, well-balanced meal to promote sound eating habits, to foster good health and academic achievement, and to reinforce the nutrition education taught in the classroom. Therefore, the Board of Education may participate in the school nutrition programs of the New Jersey Department of Agriculture in accordance with the eligibility criteria of the program. These programs may include the National School Lunch Program, the School Breakfast Program, the After-School Snack Program, and the Special Milk Program.

If seventy percent or more of the students enrolled in a school in the district on or before the last school day before October 16 of the preceding school year are eligible for free or reduced price meals under the National School Lunch Program or the Federal School Breakfast Program, the district shall establish a "Breakfast After the Bell" program for that school in accordance with N.J.S.A. 18A:33-11.1 et seq. The district may request a waiver of the requirements of the "Breakfast After the Bell" program pursuant to N.J.S.A. 18A:33-12.

The Board of Education shall sign an Agreement with the Division of Food and Nutrition, School Nutrition Programs, New Jersey Department of Agriculture for every school nutrition program operated within the school district. Any child nutrition program operated within the school district shall be operated in accordance with the provisions of the Agreement and all the requirements of the program.

Students may be eligible for free or reduced pricing in accordance with the requirements of the program operating in the school district. Prices charged to paying children shall be established by the Board of Education, but must be within the maximum prices established by the Division of Food and Nutrition, School Nutrition Programs, New Jersey Department of Agriculture. Prices charged to adults shall be in accordance with the requirements of the program.

The Superintendent or designee shall annually notify parents of all children in the school district of the availability, eligibility requirements, and application procedures for free or reduced price meals or free milk in accordance with the notification requirements and procedures of the Division of Food and Nutrition, School Nutrition Programs, New Jersey Department of Agriculture.

Meal Charges/Outstanding Food Service Bill (M)

8550 MEAL CHARGES/OUTSTANDING FOOD SERVICE BILL (M)

The Board of Education shall establish a meal charge program to permit students in the district to charge for breakfast or lunch. Collection of any payment for a meal charge program account that is in arrears shall be addressed in accordance with provisions of this Policy.

The Board of Education recognizes a student may forget to bring breakfast or lunch (meal), as applicable, or money to purchase a meal to school on a school day. In this circumstance, the food service program will provide the student a meal and will inform the Principal or designee. The Principal or designee will contact the student's parent to provide notice of an outstanding meal bill and will provide the parent with a period of ten school days to pay the amount due. If the student's parent has not made full payment by the end of the ten school days, the Principal or designee shall again contact the parent with a second notice informing the parent of any action to be taken by the school district in response to a student's school breakfast or school lunch bill being in arrears. Such action may include denying the student school breakfast or lunch. A school district shall report at least biannually to the New Jersey Department of Agriculture the number of students who are denied school breakfast or school lunch in accordance with N.J.S.A. 18A:33-21a. and this Policy.

The school district shall not:

1. Publicly identify or stigmatize a student who cannot pay for a meal or whose school meal bill is in arrears. (For example, by requiring the student to sit at a separate table or wear a wristband, hand stamp, or identifying mark or by serving the student an alternative meal);
2. Require a student who cannot pay for a school meal or whose school meal bill is in arrears to do chores or other work to pay for the school meal; or
3. Require a student to discard a school meal after it has been served because of the student's inability to pay for a school meal or because money is owed for previously provided meals.

If a student owes money for the equivalent of five or more school meals at any time during the school year, the Principal or designee shall:
