Other Students/Nonresident Private Tuition Students

1. Any other child whose parents reside outside the school district shall be considered a nonresident. Nonresident students in Grades K-12 may be admitted on a tuition basis when the following are completed.
 - a. The Principal certifies that class size is such that admission of an additional student would not be detrimental.
 - b. The parents of the applicant and the applicant (Grade kindergarten and above) complete the application form and sign it. This will be done annually.
 - c. All required academic records and other application support materials have been submitted.
 - d. The applicant and his/her parent(s) are interviewed by the principal.
 - e. The administration recommends admission and the Board accepts the applicant.
 - f. The parent signs a Private Tuition contract with the Board of Education.
2. Private Tuition admission decisions will be made accordingly to written criteria developed by the Superintendent of Schools and approved annually by the Board of Education. The administration is to select and recommend for approval those students who are most likely to succeed in the academic/behavioral environment of the schools.

3. The Board reserves the right to withdraw nonresident private tuition status from any student admitted under this policy for academic or disciplinary reasons or failure to pay tuition. If this occurs, the home district of the student will be notified. Students are admitted under this policy with the assumption that their educational needs can be addressed at an incremented cost to the district equal to or less than the amount of tuition that are asked to pay. Should it be determined at any time that this is not so the Board reserves the right to withdraw tuition status. The Board may grant an exception to this position and grant non-resident private tuition status to a student in need of additional services for special education or other conditions, however, if this exemption is granted, the parents shall be financially responsible for all costs associated with the extra services in addition to the non-resident private tuition that would normally be charged. Additionally, the placement and program decisions shall remain unilaterally the Board's prerogative. Parents seeking this exception would be required to agree to these conditions in order to receive consideration.
4. All nonresident private tuition students must re-apply for re-admission in each school year. Re-admission decisions will be based upon criteria developed by the Superintendent and approved by the Board on an annual basis.
5. In accordance with law and the Board's own policy the decision to admit or not or re-admit a nonresident private tuition student shall not be based upon gender, race, religion, economic status or social status.

Nonresident Tuition Rates

1. The rates for nonresident private tuition students shall be set annually by resolution of the Board of Education.
2. Should the Board fail to set a new rate by August 1 of any year, the preceding school year's nonresident private tuition rate shall be increased by amount of increase added to the rate of taxation. The new rate will then be in effect for the subsequent school year.
3. Children of all nonresident teaching staff members may attend district schools if accepted under the provisions of this policy, at half tuition.

4. Tuition shall be payable in two installments. Half of the tuition is paid upon receipt of contract. The second and final payment is to be made by January of the school year in which the student is enrolled. A late fee of \$20.00 will be charged for tuition payments received after the 15th of the month. Tuition in arrears of two weeks shall be considered just cause to release a student. Nonpayment of tuition shall result in forfeiture of nonresident tuition status. The student's home school district will then be notified.
5. The rates for nonresident private tuition students who enroll full-time in the LTHS-OCC College Academy in their Junior and Senior Year of high school, may attend at half tuition. Students and their parents shall be responsible for the cost of Ocean County College tuition.
6. Siblings of nonresident private tuition students who reside in the same household, who also wish to attend the Lacey Township School District as a nonresident private tuition student will receive a 20% discount. The sibling discount shall not apply to children of district employees.

For the purpose of this Policy, a student grievance means any complaint that arises out of the acts or policies of this Board or the acts of its employees. The procedure outlined in this Policy shall be used to address a student grievance that is not elsewhere in a Board policy, regulation, and/or grievance with a procedure specifically designed to address the conduct in question.

A student grievance shall be heard in the following manner:

2. Second Level

- a. If the grievance is not resolved at the first level, the student or parent may appeal the teaching staff member's decision by submitting a written appeal of the decision to the Principal or designee within five school days of receipt of the teaching staff member's written decision.

(1) The written grievance shall include:

- (a) The specific nature of the grievance and a brief statement of the facts giving rise to it;

3. Third Level
 - a. If the grievance is not resolved at the second level, the student or parent may appeal the Principal's or designee's decision by submitting a written request to the Superintendent or designee. This written request for an appeal must be submitted to the Superintendent or designee by the student or parent within five school days of the student's or parent's receipt of the Principal's or designee's written decision and must include the same information the parent or student submitted in the written grievance outlined in 2.a.(1) above.
 - b. The Superintendent or designee will review the written request for an appeal and supporting documentation submitted by the school staff members and the student or parent to inform the student and parent of the decision regarding the appeal within ten school days of receiving the written request for an appeal.
 - c. A student or parent may appeal the Superintendent or designee's decision to the Board. An appeal that proceeds to the Board will be determined promptly and the Board will issue a decision in no more than thirty calendar days. The student will be informed of the right to appeal a decision of the Board to the Commissioner of Education.

The Superintendent shall direct all staff members to respect the right of students to seek redress of grievances by lawful procedures without fear of reprisal.

9163 SPECTATOR CODE OF CONDUCT FOR INTERSCHOLASTIC EVENTS

The Board of Education promotes a physically and emotionally safe and healthy playing environment at interscholastic events and insists good sportsmanship be exhibited at all times by student athletes, coaches, officials, and spectators at such events.

The New Jersey State Interscholastic Athletic Association (NJSIAA) requires the Board to establish policies and procedures relating to sportsmanship and to identify responsibilities of administrators, coaches, and students to ensure their observance.
