Curriculum

- Start Strong Assessment Results (reported at the February Board Meeting)
- Road Forward Revision (quarantine and isolation timeframes)
- 2020 Standards Curriculum Writing (Spring & Summer 2022)
- Computer Science Discoveries (New Course)
- Introduction to Python (New Course)
- Computer Science Fundamentals (New Course)
- Block Scheduling (AB Block for AP Classes)

- 6th Period Stipends and creation of the Master Schedule
- Parent Survey (results)
- Guidance Update
 - Updated website with current information on Guidance staff, as well as creation of its own College and Career Readiness section.
 - Reached out to all College/University contacts that we had on file to ensure we had the most up-to-date information, as well as ask for new brochures, pennants, materials for the College and Career Readiness Resource Center. Also continuing to go through historical data to see if the colleges where our students are applying to most are included in that list.
 - Creation of Junior Naviance Meeting presentation (parent and student versions) to ensure students have access and know how to navigate it. Included career exploration and college search functions in detail. Currently working on schedule for in-school student presentations and an evening parent meeting.
 - Creation of two surveys, one for teachers regarding scheduling best practices and how we can collaborate to reach the most students, and one for parents to ask what their needs/wants are and also scheduling preferences.
 - Begin stages of planning Financial Aid Event; contacted OCC to see what they are currently offering and will be in touch with in-house teacher (Pollino) who did a presentation in the Fall. Also looking to offer a night a week for individual or small group meetings to provide more personalized help.
