 - Active Shooter Training Request from Detective Ewart:

Our agency is in the process of planning this year's required Active Shooter Training. This year we were hoping to utilize the Cedar Creek School, as we are looking to familiarize the department members with the rest of the district's buildings moving forward. Lieutenant Flynn asked me to see if two dates are available for the trainings:

Saturday, October 7, 2023
 Saturday, October 21, 2023.

The training will take place from 10:00 am until 4:00 pm, but the instructors will need to be in the building by 8:00 am to begin setting up. The cleanup for each day should be complete by 5:00 pm.

Given the nature of the training, we intend to have our Class 3 officers participate, and would like to have your security officers attend as well.

Lt. Flynn also asked me to extend an invitation to you or any other administrators who would like to attend to observe either or both of the sessions.

Next Meeting - TBD
