*Policy Guide 7410 and Regulation Guide 7410 have been re-written and Regulation Guide 7410.01 has been revised to reflect the State Board of Education relocating administrative code sections from N.J.A.C. 6A:26A to N.J.A.C. 6A:26. There were no substantive revisions when these code sections were relocated with most of the revisions referencing new code citations, which have been updated in Policy Guide 7410 and Regulation Guides 7410 and 7410.01. Policy Guide 7410 is mandated for all school districts. **Regulation Guide 7410 is mandated for all school districts with two or less school buildings. Regulation Guide 7410.01 is mandated for all school districts with three or more school buildings.** Policy Guide 7410 now includes the requirement for a school district to employ a certified educational facilities manager. In addition, school districts must select an option in Policy Guide 7410 indicating if the district has two or less school buildings or three or more*

*school buildings. Regulation Guide 7410.01 provides the long-standing administrative code requirement for a detailed work order system in a district with three or more school buildings. Regulation Guide 7410 provides a recommended work order system for districts with two or less school buildings, but does not require the details of N.J.A.C. 6A:23A-6.9 outlined in Regulation Guide 7410.01; therefore, may be revised by the district to meet its locally-developed work order system. Policy Guide 7410 and Regulation Guides 7410 or 7410.01 are mandated and must be adopted by the Board.*
