June 4, 2019

Dear Parents of Students at Mill Pond Elementary School:

As a follow-up to my previous communications from October and November 2018 regarding the Mill Pond School gymnasium floor, the purpose of this letter is to inform you that the project to remove, remediate, and replace the floor is underway. On Wednesday, June 5, preparations will begin for the removal of the gymnasium floor. Contractors will begin preparing the space, which will include the installation of protective barriers as well as a thorough cleaning of the entire gymnasium room. These preparations will be done after school hours only. The removal of the current floor will begin on Monday, June 17, 2019.

Thank you for your continued cooperation, patience, and understanding. We look forward to reopening the Mill Pond gymnasium in the fall and anticipate that it will look outstanding. As always, if you have questions or concerns, please do not hesitate to contact me.

Sincerely,

Vanessa P. Clark, Ph.D.
Superintendent of Schools
