NOTE: This chart reflects student enrollment and the # of individuals who are confirmed positive (either students or staff). This chart will be updated every Friday and posted on the district website. When individuals have concluded their isolation or quarantine period the case will be removed, which is approximately every 5 days.

This chart is for informational purposes only to inform you of the total population of the Lacey Township School District and the number of positive COVID-19 cases and in what locations they were. There is nothing you need to do at this time. Due to privacy requirements we will not be releasing any additional information on the identity of the individual. Any person who was determined by health officials to have been in close contact with this individual has already been personally notified. Once an individual that has tested positive and has gone through the isolation or quarantine protocols they are removed from this chart. All positive cases are reported to the Ocean County Health Department and the District follows their guidance.

* District includes Board Office, Transportation, Grounds and Maintenance, and Food Services.
